

Et ils finirent tous

**tuéés**  
par ce  
cataclysme.

Il ne put en garder

**qu'une**  
et il choisit la  
mauvaise.

Cette idée de

**génie**  
lui valut de se faire  
larguer.

Elle arriva avec  
**3 minutes**  
de retard, ils étaient  
déjà partis.

Il ne put néanmoins

**d'autres**  
donner son âme.

Ce qui prouve  
une fois de plus que

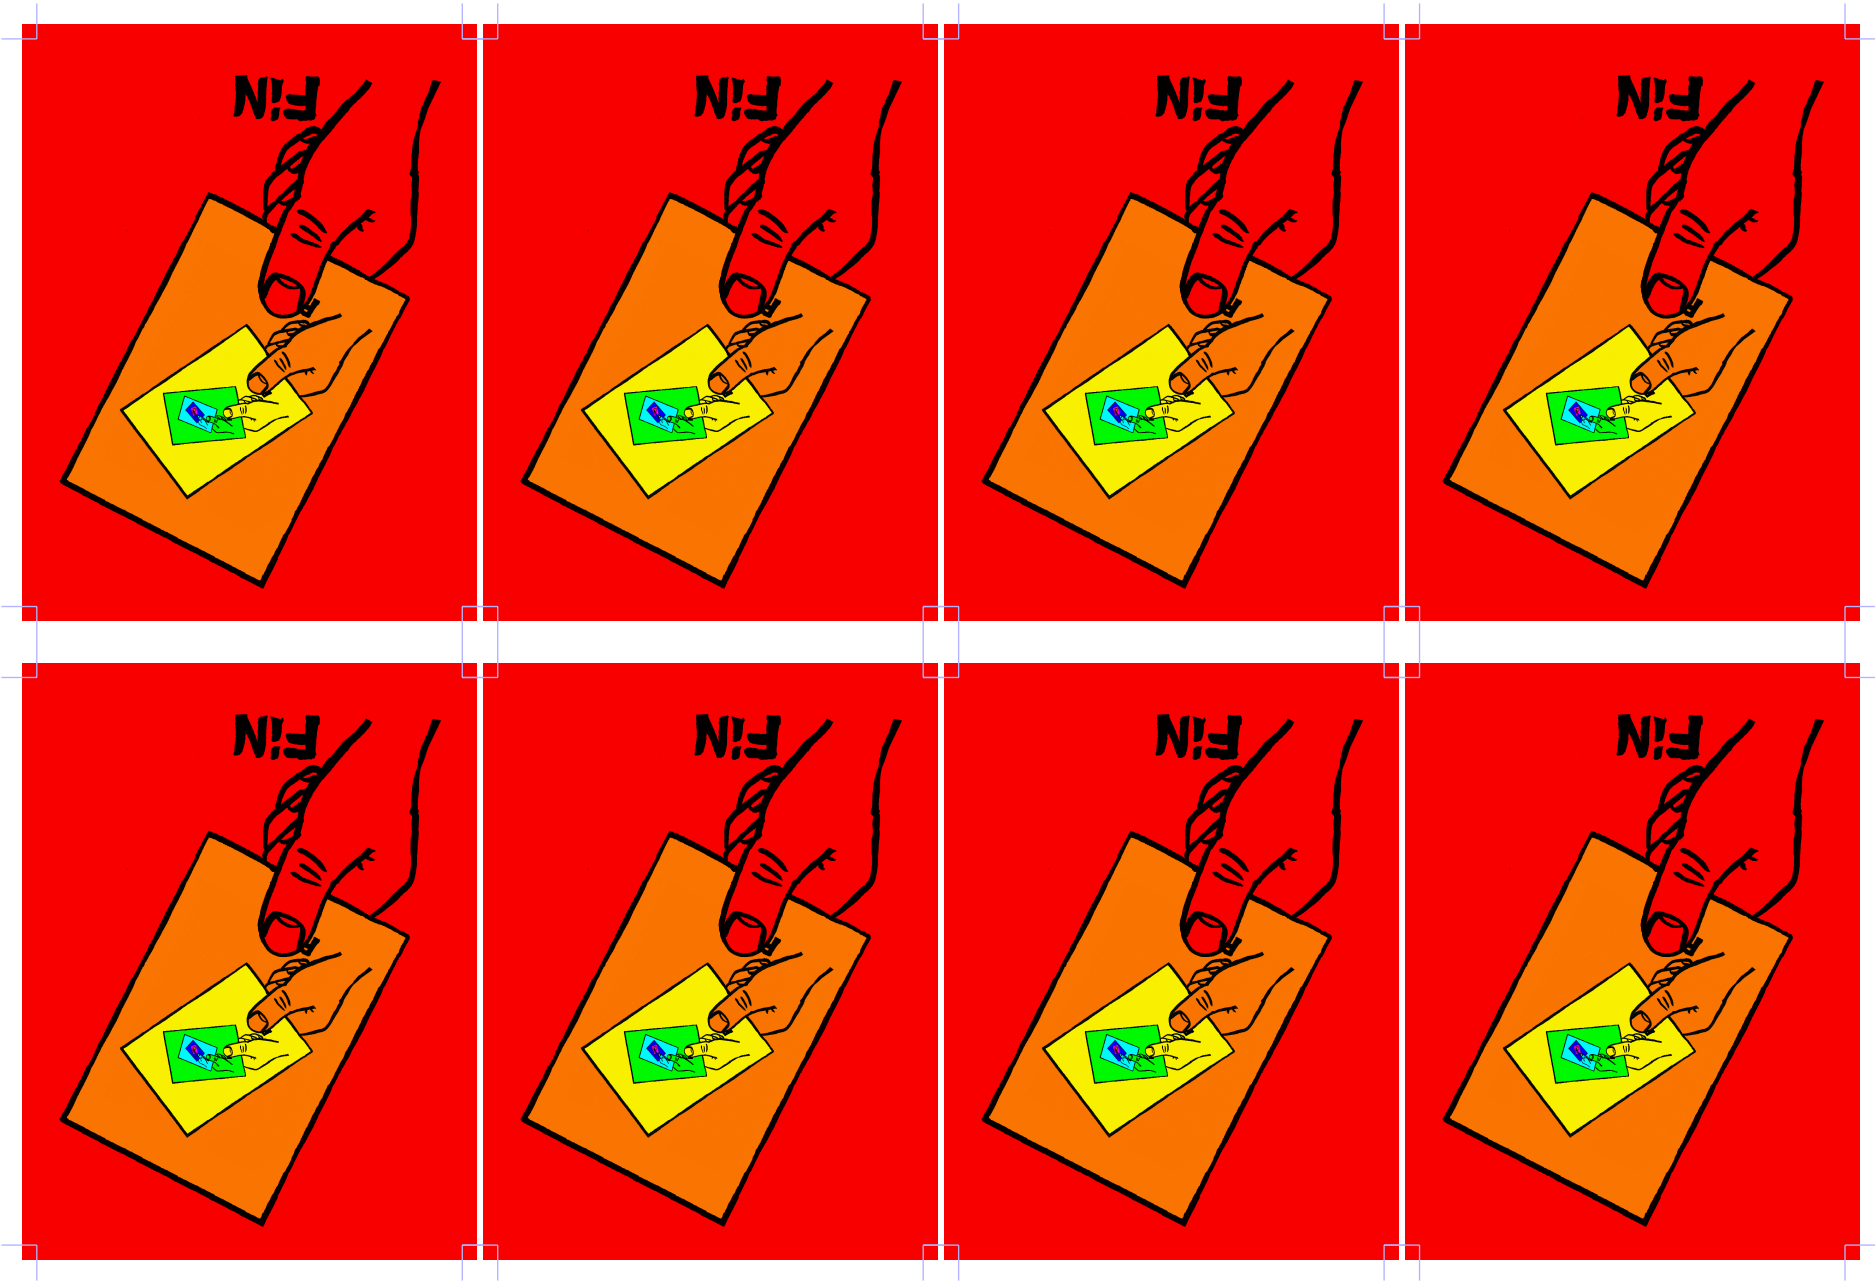

**les hommes**  
**ont des**  
**cochons.**

Après qu'elle lui eut

arraché un tentacule avec  
**les dents,**  
le monstre lui voula  
**fidélité.**

Il fut finalement

**renvoyé**  
mais toucha quand même des  
**indemnités.**

La réponse était

42

Et l'histoire  
de répéta  
indéfiniment...

Déçue par son  
composément,  
elle d'en alla  
avec un autre.

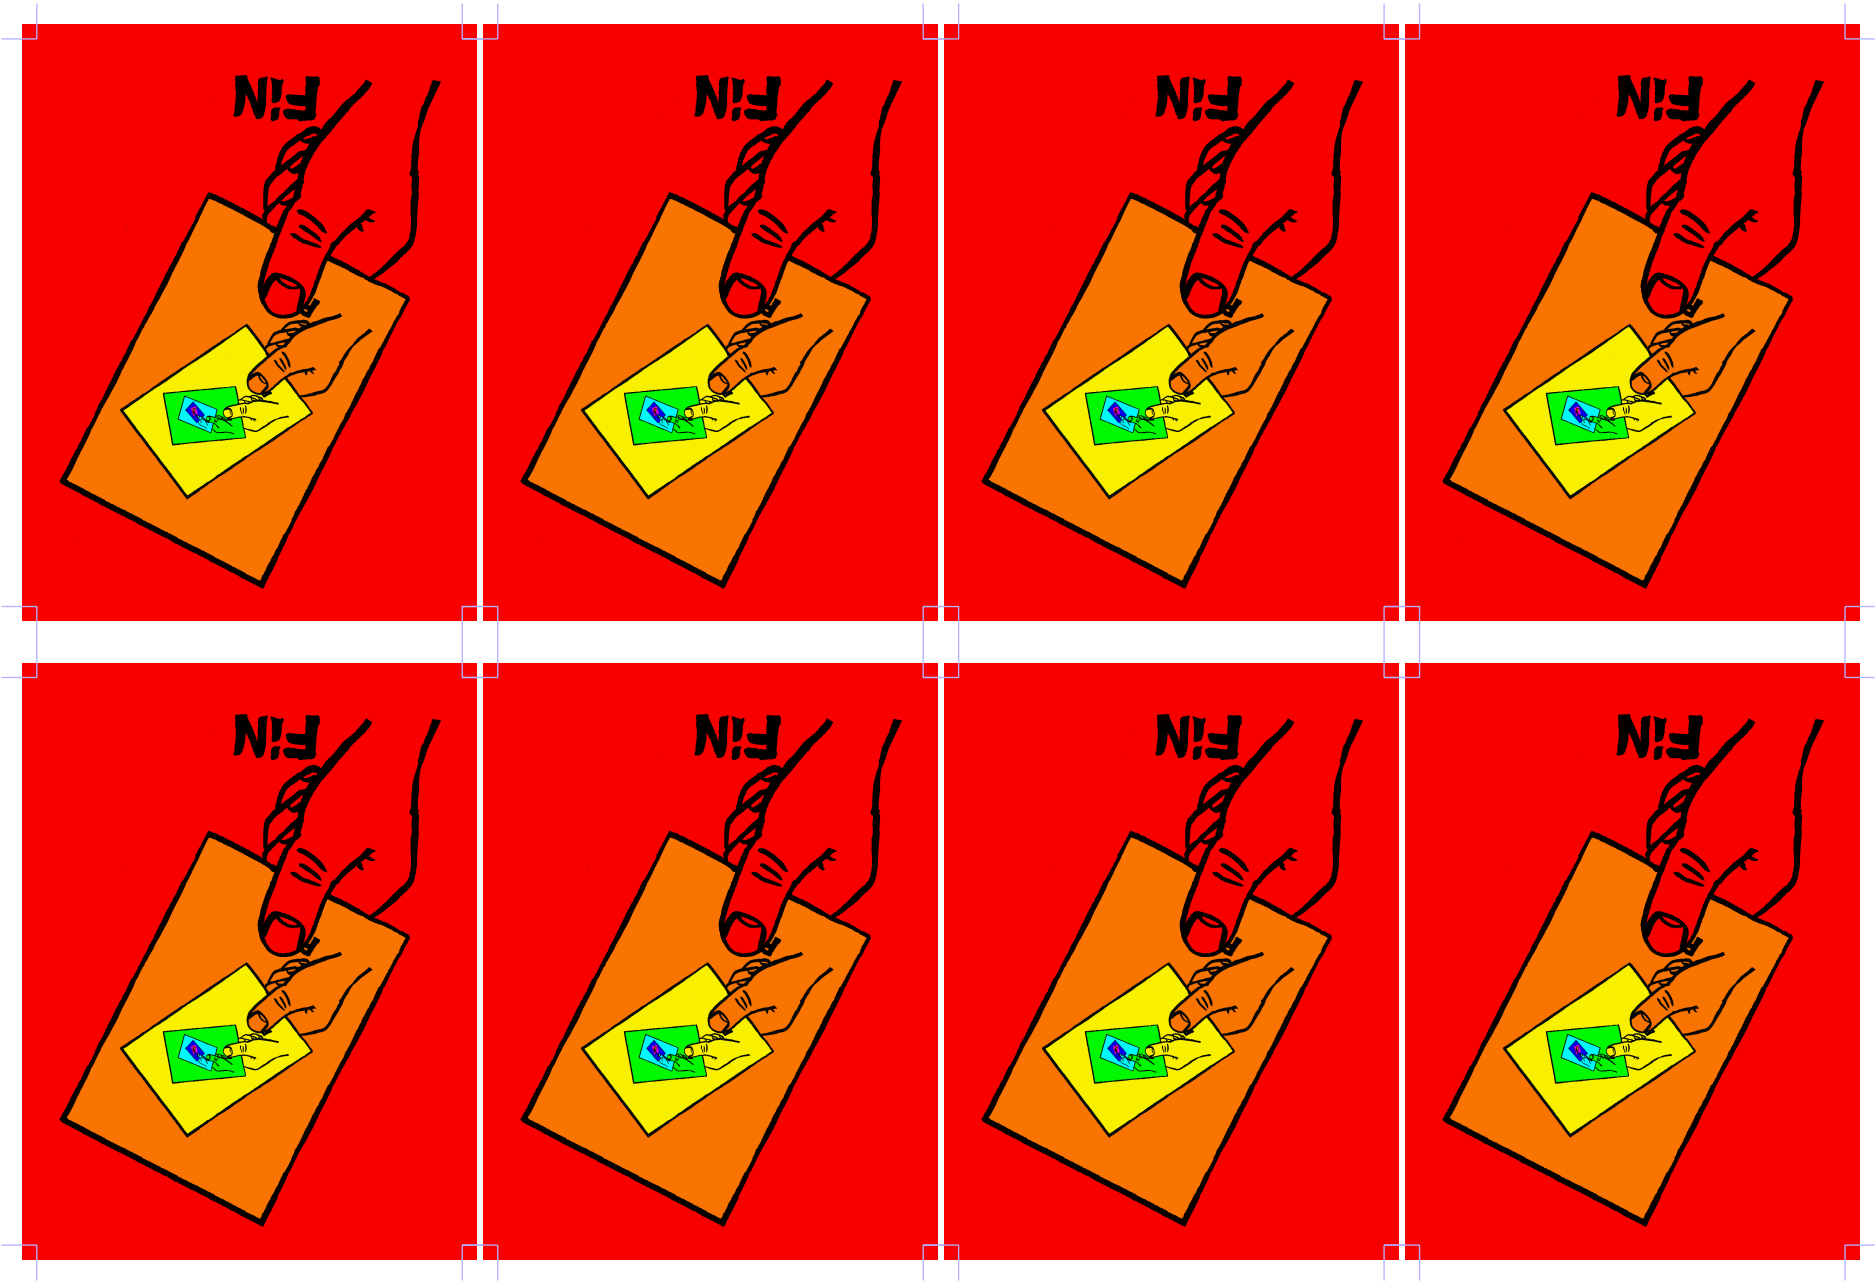

Hélas  
la triste vérité  
eut raison  
de lui.

Les impôts  
lui en prirent  
la moitié!

Car en fait,  
c'était  
lui  
l'addadin!

Ce fut un échec  
rien  
ne se produisit!

S'étant mis  
tout le monde  
à dos  
il prit des  
jambes  
à son cou  
(pour sauver la peau).

Il ne put  
néanmoins  
dallurer  
son âme.

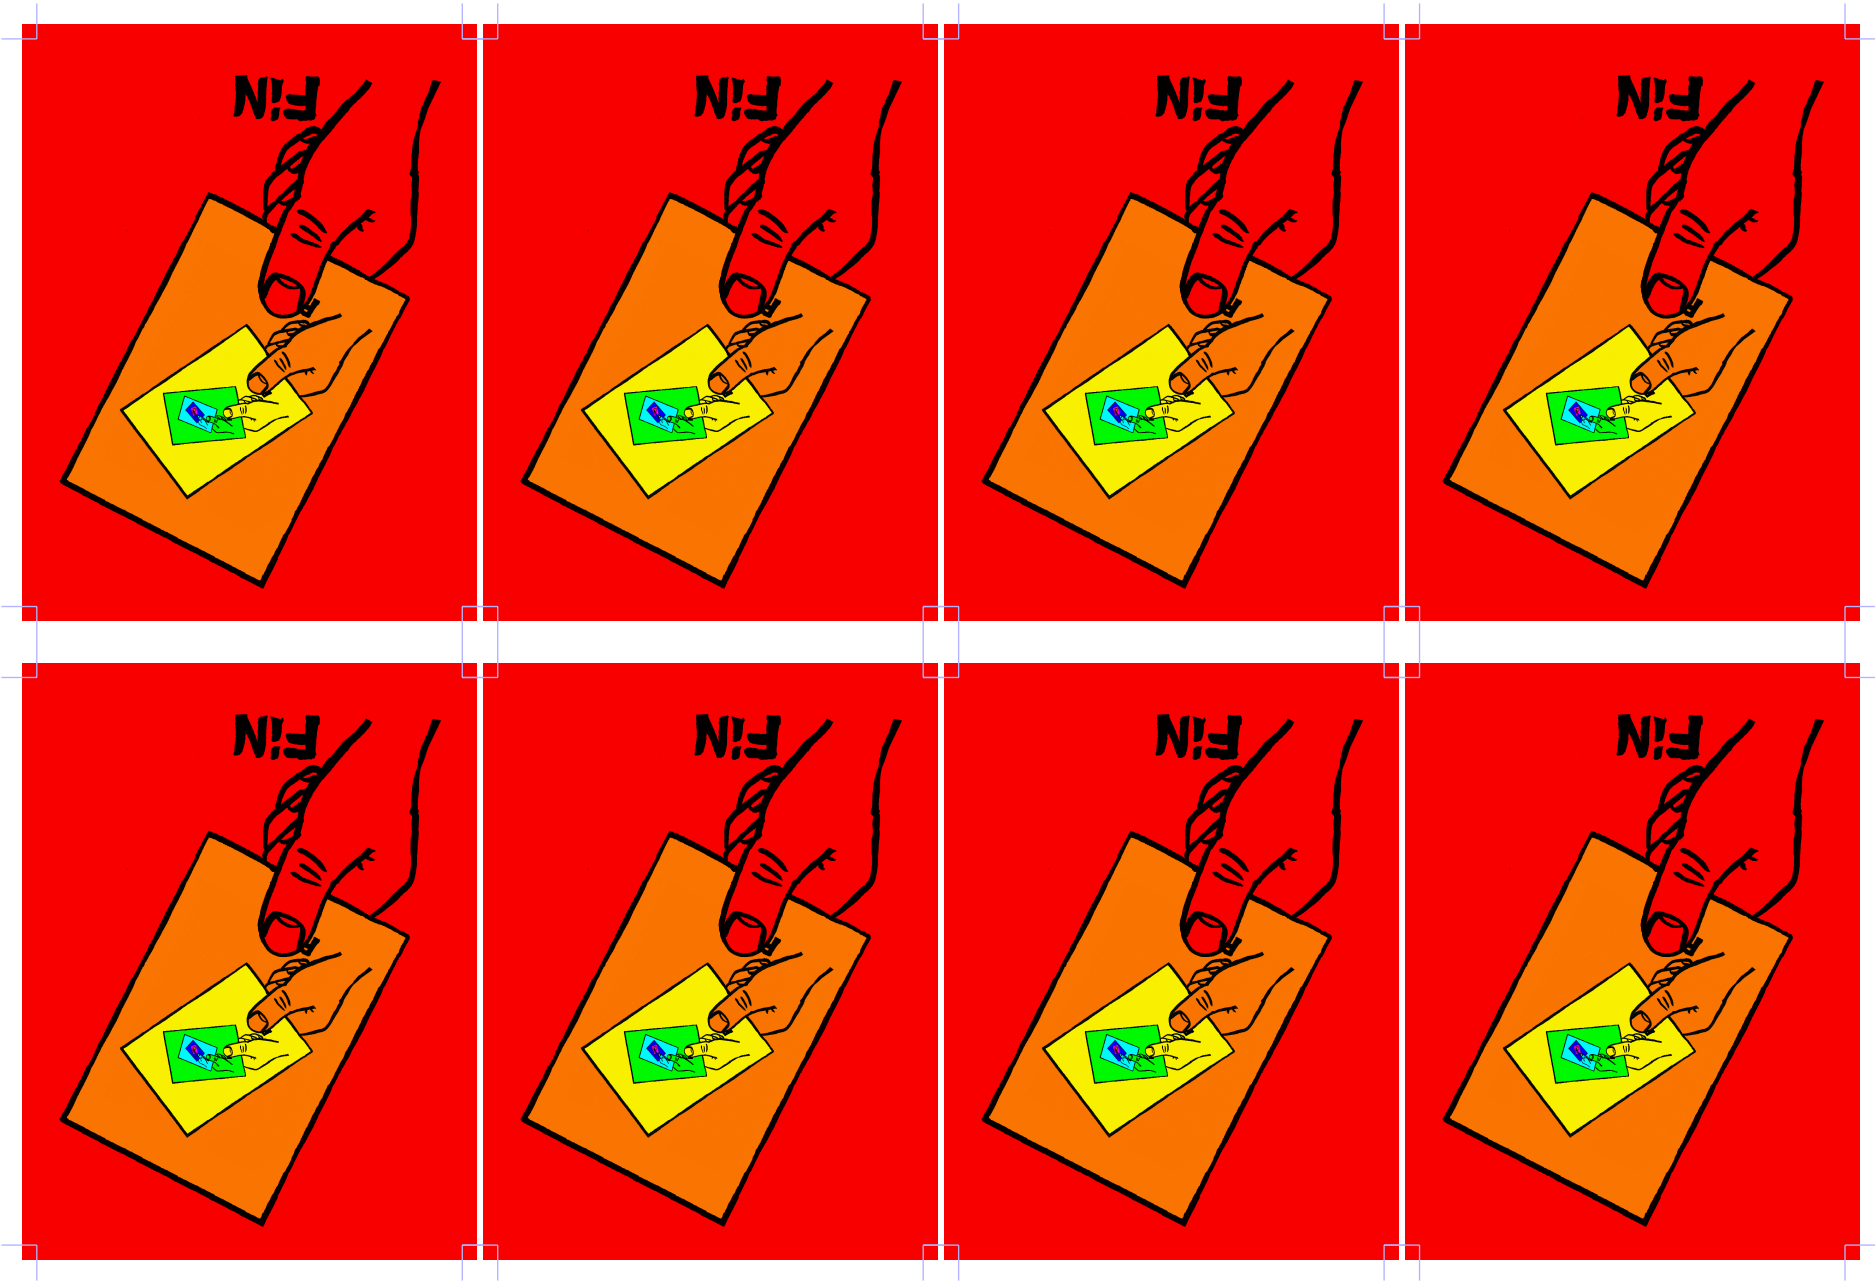

Il lui révéla  
qu'il était  
son père!

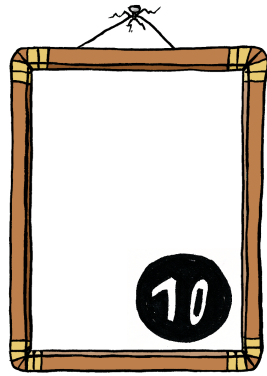

Elle lui dit  
«reviens me voir  
quand tu seras  
grand».

Mais la postérité  
de douvint d'eux  
comme des  
héros.

«C'est  
tstop  
injuste!»

Et, à leur plus grand  
regret,  
ce fut un cuisant  
échec.
